

TANEX cement-ex

Cement film remover

- Heavy-duty ■ High-performance ■ Safe

Product profile

- TANEX cement-ex is an economical deep and final cleaner for cleaning of buildings prior to handover.
- TANEX cement-ex is a heavy-duty cleaner which can be multi-used on acid resistant stone floors.
- TANEX cement-ex helps to remove cement dust, lime scale or grout which remain after the laying of acid resistant natural and artificial stones as well as ceramic tiles.
- TANEX cement-ex is acidic special cleaner and is safely applicable.

Area of application

- For all acid resistant mineral surfaces. Not suitable for calcareous natural stone floors (e.g. marble) and artificial stones as well as acid sensitive ceramic tiles and cement screeds.
