- Active water stewardship maintaining an own fresh and waste water treatment

#### Ingredient declaration

<5% soap, non-ionic surfactants (fatty alcohol EO adduct, fatty alcohol EO/PO adduct), perfumes, PHENOXYETHANOL  
Specific ingredients: water, alcohol, glycol ether, food colours (E102, E131)

#### Traditional German quality - driving your durable business development

- More than 30 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

#### Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

#### Sustainable development and production

##### EMAS:

- Continuous improvement of environmental performance
- Annual sustainability report
- Energy and water management
- Social Fairness

##### DIN ISO 14001:

- Continuous improvement in reducing waste and CO2 emissions, and saving of energy, water and material consumption

##### ISO 50001:

- Continuous improvement of energy management: performance, efficiency, security, use and consumption

##### A.I.S.E.-Charter:

- Safe and sustainable manufacturing of cleaning products

##### DIN ISO 9001:

- Continuous improvement of management processes and customer satisfaction
- Established quality management system in product development and production

# TAWIP vioclean

## green-Effective® Floor Cleaner & Care

- Increased user safety ■ High slip-resistance ■ Low cost-in-use

### Product profile

- TAWIP vioclean is a floor cleaner with extra care effect and exceptional environmental properties. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing work safety, TAWIP vioclean assures perfect cleaning results at low use concentration.
- The natural coconut fat soap in the formula protects floors from leaching effects and leaves a protective film with antistatic effect, reducing the danger of slipping in compliance with DIN 18032-2.
- Majorly composed of renewable resources, TAWIP vioclean takes on the responsibility for future generations.

### Area of application

- TAWIP vioclean is ideally suitable for mechanical and manual maintenance cleaning of all water-resistant floors in objects demanding highest floor care and slip resistance. Perfectly suitable for use on PVC, linoleum, rubber, stone as well as oiled and waxed wooden floors, e.g. in schools, nursing homes, administrative buildings or gymnasiums.
- Do not use on unsealed wooden flooring.
- TAWIP vioclean is the ideal cleaner for large areas, e.g. airports, underground railway stations, retail stores, supermarkets, shopping malls or DIY stores.

### Product safety, storage and environmental instructions

**Safety:** For professional use only. Keep away from children. Do not mix with other products. Test material compatibility before use. For further information, see Safety Data Sheet.

**Storage:** Store at room temperature in the original container. Keep from freezing.

**Environmental:** Only give completely emptied packaging in the recommended waste container. Proper dosing saves costs and minimises environmental impact.

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

**Maintenance cleaning:** Mop the floor with a clean mop.

**Open floor surfaces:** Can be applied in auto-scrubbers.

**Spray cleaning:** spray thinly and evenly on the floor, treat with a single disk machine.

**Initial care:** with soil-release-effect: wetwipe the uncoated floor. Polish after drying.
