Traditional German quality - driving your durable business development

- More than 30 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

makes the difference

TANEX power

green-Effective® Ready-to-use Power and Plastic Cleaner

■ **Powerful** ■ **Efficient & economic** ■ **Versatile application**

Product profile

- TANEX power is a ready-to-use heavy-duty cleaner for various surfaces and an outstanding stain remover for all types of adhesive soiling, e.g. marker pen-, ink-, stamping ink stains.
- TANEX power allows to save costs and time through its high efficiency, its quick and easy handling and versatile application areas.
- TANEX power is material-friendly, keeps the surfaces' original appearance, leaving no streaks and stripes after cleaning.
- Attractive fragrance underlines the high cleaning performance of the product.
- TANEX power is also excellent for felt pen-, ball pen-, sticky label adhesive-, heel mark stains, as well as greasy, cosmetic and nicotine stains.

Area of application

- Suitable for use on all matt, high-gloss and textured plastics and plastic-coated surfaces indoor and outdoor.
- Can be used for streak-free cleaning of (school-, work-, gardening-) tables, doors, cabinets, shelves, wall paneling, kitchen facilities made of Formica, fitness equipment in schools, nursery schools, office buildings, hotels and sports facilities.
- TANEX power is also suitable for stamp colours, ink spots, pen and felt-tip lines.
- The product can be used on ABS (Acrylonitrile butadiene styrene), Makrolon® / Polycarbonate (PC) and PLEXIGLAS®/ acrylic glass.
- Do not apply on aluminium and painted materials
- Recommended: Spray 4-5x per m²

Product safety, storage and environmental instructions

Safety: For professional use only. Test material compatibility before use. For further information, see Safety Data Sheet.

Storage: Store at room temperature in the original container.

Environmental: The product is not intended for large-scale cleaning. For maximum effectiveness always use the correct dosage. This will minimize water consumption and reduce water pollution. Only give completely emptied container to special waste disposer.

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

Surface cleaning:
Spray directly or onto a suitable cloth. Allow short action time and wipe with clean cloth.
