

BATH

DESCALING DETERGENT FOR BATHROOMS WITH WATER-SOLUBLE CAPSULE SYSTEM

- Highly concentrated and effective with deodorising effect
- Very high eco-friendliness (less waste and CO₂)
- Prevents deposits

Descaling and deodorising detergent for taps, coverings and bathroom furnishings. It leaves surfaces glossy and prevents lime from redepositing

HOW TO USE

Put an ECOCAPS directly into the bottle and add water. When the capsule has dissolved, clean the surfaces. Spray the product onto the cloth. In the case of excessive dirt, spray onto the surface and rinse.

DILUTION

1 capsule in 500 ml of water (preferably warm). The suggested dilution allows to economize and reduces the environmental impact to the minimum. A small amount of product is enough compared to a diluted product.
